

## EC211 Economics of Social Issues

May 12<sup>th</sup>-26<sup>th</sup>, 2018

This course is an introduction to the basic economic principles needed to analyze social issues such as prices and allocation of resources, role of incentives, free trade, economic growth, market failure, healthcare, and education. Learn how international trade and tourism impact the Irish economy. Evaluate competitive and monopoly markets in and around Dingle. Explore social issues such as population, health services and migration. Enjoy group dinners at local pubs, visits to archeological sites, an overnight trip to beautiful Killarney, a day trip to the Blasket Islands and more. For more information contact Prof. Khawaja Mamun ([mamunk@sacredheart.edu](mailto:mamunk@sacredheart.edu)).
