

NU299 Transcultural Nursing

May 12th-26th, 2018

Spend two fantastic weeks immersed in the study of world culture and its application to professional nursing, all while living in the Irish culture! This course examines the health beliefs and societal norms of many cultural groups including discussions with members of the Dingle Peninsula and Irish Traveler communities. Student nurses also participate in a Blessing of the Hands ceremony at a local Holy Well. Enjoy group dinners at a variety of local pubs, excursions to see surrounding archeological sites, an overnight trip to beautiful Killarney, a day trip to the Blasket Islands, and more. For more information, contact Prof. Tracy Scheirer (tracy.scheirer@alvernia.edu).

Apply by February 15th!
